

Dear **FINAL** year Student,

I am informing you, that

- examination period for FINAL year students starts **from 5 May (Monday) until 16 May (Friday), 2025.**

In the 2nd semester of 2024/2025 academic year the **submission deadline of thesis work is 16 May 2025.**

You should **register for final exam from 14 April (Monday) until 23 April (Friday) 2025.** through Neptun system.

Student qualifies to sit for the final examinations for the programme during the final exam period with the requirements as follows:

- **fulfilled all academic requirements** of the programme and meets all other requirements as set out in the Academic Regulations for Students, including summer internship registration to Neptun
- **registered for the final examinations** of the 2nd semester of 2024/2025 academic year through the Neptun **until 23 April, 2025.**
- **submitted the thesis work** to the department **with a verification** about that the thesis work had been uploaded to Midra - system (from the central library) **until 16 May, 2025.**
- does not have any financial commitment with deadline expired for the university

I wish you successful exam period!

Good luck!
